Gutter Gossip

Did you know that Bill Downey, the current Events and Sponsorship member of your Executive has been with the league since its inception 33 years ago? A Gutter Talk reporter caught up with Bill on the lanes on Friday, Sept. 23rd.

Gutter Talk: What keeps you coming back to the bowling league year after year?

Bill: The people. I really enjoy all of the socializing. It's fun.

Gutter Talk: Do you have any tips for new bowlers who are hoping to improve their game?

Bill: Yes! Get all of the (expletive) pins down.

Gutter Talk: That is so very helpful Bill. Thanks! On behalf of all of us, we thank you for your dedication to the league over the years, and acknowledge all of the hard work you have done and continue to do.

THBS Social Media: THBS operates a **website**, an **official Facebook Page** and a **Facebook Group** for communicating with the league's bowlers.

Which one should you use? - Here's our handy dandy guide:

The website (thbs.ca): provides information about our league, email contacts to reach your executive and our THBS Constitution. *Use it to review the bylaws for the corporation or to send a note to the Executive.*

Toronto Historical Bowling League **official Facebook page:** Contains background on our league and important notifications such as: "a request for spares", special updates and event notices. In order to receive updates, you must "Like" our page. *Use this to catch up on League information.*

(THBS) Toronto Historical Bowling League **Facebook group (by invitation only):** This is a community page where members can communicate with the league, call out for spares, and answers to many questions. *Please send a join request to be added.*
